

GFPR500

Graphex® Premier

Features

- 13-gauge Graphex® cut resistant yarn perfect for heavy duty tasks
- Certified to Contact Heat Level 1 under EN 407:2020
- Contact Food Safe under compliant EN 1186
- Reinforced thumb and forefinger saddle
- Extended thumb and forefinger saddle for product longevity
- Sandy nitrile coating for superior use in wet and dry conditions
- Extended wear with up to 15,000 abrasion cycles
- Touch Screen friendly
- Silicone and fibreglass free construction
- Actifresh treated to inhibit odours and bacteria
- 360 degree breathability
- UPF50+ offering maximum sun protection

Standards & Certification

Graphex® recognise that without product certification by a Notified Body all product performance testing, and adherence to standards claims cannot be independently verified. If they are not as claimed, serious safety implications for the wearer, and legal implications for the supplier and even the employer may arise. Graphex source their entire range of Synthetic hand protection from a single manufacturing partner to ensure consistency and reliability of product, but most importantly Graphex have taken the further step of engaging a globally recognised Notified Body to audit and certify both the manufacturing process and the products. All of Graphex's hand protection is certified as per UKCA and CE hand protection standards.

Specifications

Part No.	GFPR500
Liner	13-gauge Graphex®
Coating	Sandy Nitrile

Packaging

1 12 144

Sizing & Fit

Available Sizes

	GFPR500.XS	X Small
	GFPR500.S	Small
	GFPR500.M	Medium
	GFPR500.L	Large
	GFPR500.XL	X Large
	GFPR500.2XL	2X Large
	GFPR500.3XL	3X Large

Dexterity Level

Maximum Dexterity Level 5
 Certified under EN ISO 21420:2020

Key Technologies

Graphex® Yarn

Graphex® yarn provides the highest levels of mechanical performance, with exceptional comfort and dexterity.

Actifresh

The Actifresh Sanitized treatment neutralizes odour creating bacteria. Gloves are kept fresher for longer. Actifresh resists UV degradation and maximizes product longevity.

Touch Screen Friendly

The wearer can leave their gloves on while answering phone messages, reducing the chances of a workplace hand injury.

Reach Compliance

Required Safe pH Level

Certified under EN ISO 21420:2020

AZO Dye and Irritant Chemical Free

Certified under EN ISO 21420:2020

Glove Care

Machine Wash <40°C

Cold Water Rinse

Dryer <60°C
